

TRAVEL ACKNOWLEDGEMENT

The California Department of Public Health's [Regional Stay at Home Order](#) went into effect on December 6, 2020 at 11:59 p.m. with respect to the Southern California region. At that time, our region had less than 15% Intensive Care Unit (ICU) availability. The order, among other things, prohibits non-essential travel, private gatherings of any size, closes sector operations except for critical infrastructure and retail (with limited capacity) and requires 100% masking and physical distancing.

The order will remain in effect for at least 3 weeks and, after that period, will be lifted when a regions four week projected ICU availability meets or exceeds 15%. This will be assessed by the Department of Health twice-weekly.

All individuals living in the Region must stay home or at their place of residence except as necessary to conduct activities associated with the operation, maintenance, or usage of critical infrastructure, as required by law, or as specifically permitted in the order.

This Resort can accept those who are traveling for essential travel or essential business or services, and/or to accommodate anyone who works as an [Essential Worker](#) (healthcare, first responders, etc.)

["Essential travel"](#) includes work and study, critical infrastructure support, economic services and supply chains, health, immediate medical care, and safety and security.

["Essential Worker"](#) includes those listed on the [California COVID-19 website](#). These include but are not limited to healthcare, emergency services, food, agriculture, energy, water, wastewater, transportation, communications, government operations, critical manufacturing, financial services, chemical and hazardous waste materials, defense industrial base, industrial, commercial, residential and sheltering facilities and their services as listed in the referenced State Public Health Officer designations.

NOTE: State and local orders related to COVID-19 are being updated periodically.

I hereby certify that I (and/or a member of my household) am/is (check all applicable):
